Nursing Professional Development Certification Preparation

August 9 – 10, 2017
IU Health Continuing Education
DG Conference Center
1701 N. Senate Blvd
Indianapolis, IN 46202

Target Audience
- Registered nurses (RNs) preparing for certification in Nursing Professional Development (NPD)
- RNs new to the NPD role
- RNs desiring additional education in the NPD processes

Program Outcome
This program is intended to enable the learner to successfully complete the American Nurses Credentialing Center (ANCC) generalist examination in nursing professional development. This course also enables novice NPD practitioners to develop foundational knowledge for the specialty practice.

Instructed by Kari L. Schmidt, MS, RN-BC, ACC
Kari has extensive experience in professional development and adult education. She received her Master of Science in Administrative Leadership and Supervision in Adult Education from the University of Wisconsin, and is certified in Nursing Professional Development. Kari has published numerous articles on various professional development and adult education topics. She serves co-editor of the Journal for Nurses in Professional Development; is CEO and trainer for her own consulting firm, Training for Impact; and served as vice president and is past president of the Association for Nursing Professional Development, formerly known as the National Nursing Staff Development Organization. She is co-author of the ANPD Nursing Professional Development Certification Preparation Study Guide. Kari is also a certified coach through the International Coach Federation. She has been named to Who's Who in American Education and American Nursing, has received the ANPD award “Excellence in Educational Design,” and received the prestigious ANPD Belinda E. Puetz award.

Continuing Nursing Education – 16 Contact Hours
Association for Nursing Professional Development is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Course Completion
Attendance at each full day required to receive contact hours. Partial credit may be awarded for attendance of one single day. Notify the instructor if partial credit is needed.

Completion of the online course evaluation is required.

Conflict of Interest
No faculty or planners have a conflict of interest with the development or implementation of this course.

Pre- and Post-test Information
Earn up to two (2) additional contact hours by taking the NPD Cert Prep Course Pre- and/or Post-test in the ANPD Professional Development Center. Each test, which contains 60 questions, awards one (1) contact hour. Measure your progress made during the course by comparing your pre-test score with your post-test score. In addition, you can see which domains should be areas of focus when preparing for the certification exam. Instructions to access the Pre- and Post-test will be provided to attendees two (2) weeks in advance of the course.
