Video Contest: Day in the Life of an NPD Practitioner

Celebrate NPD Week by **creating a short video** (2 minutes or less) with your colleagues to represent something people may not know about the average day of an NPD practitioner and the **value your team brings to your organization**.

Videos must be submitted to info@anpd.org by 11:59 pm CT on **Friday, September 6** to be entered into the contest. By submitting the video, you consent it being shared on ANPD social media. One winning team will receive a \$100 gift card towards a celebration for their NPD Department!

Tips:

- You don't need professional equipment; a cell phone camera will do just fine!
 - Be sure to film in a space with ample natural light.
- Include different members of your unit - the more the merrier!
 - Be clear and expressive - 2 minutes go by quickly.
 - Have fun!

Examples:

- Helping staff find latest evidence about patient care.
- Working with academic partners to plan student clinicals.
- Uplifting a young nurse who finds a new procedure challenging.
 - Working with community EMS to plan a disaster drill.
- Reenacting stories submitted to the recently published NPD Anthology.
